

BHEHOA Board Recruitment Announcement

The Baldwin Hills Estates Homeowners Association, BHEHOA, is seeking volunteer leaders to join our dynamic board of directors. More information about BHEHOA is available at <https://www.bhehoa.org>

Our goals continue to focus on security, beautification and advocacy. You recently received a copy of our donation letter, that shared some of our goals what we are endeavoring to do in 2023. We want homeowners to understand the positive impact BHEHOA can have on your experience living in our amazing community. It is important for the board to work hard to communicate the benefits of the BHEHOA to homeowners and residents.

Board members are actively involved in organizational governance, and are expected to attend monthly board meetings, participate in at least one board committee, we ask everyone to make a personal financial contribution, and commit to 5-10 hours per month.

The board needs a variety of skills, including but not limited to board candidates with accounting, legal, technology, community beautification projects, block captain outreach, local schools, and local government expertise.

The Nominating Committee is now recruiting potential candidates to interview for our Board of Directors and accepting applications. I am actively soliciting you to become a committed volunteer and serve on our Board of Directors, and/or on a committee and help us with our work. Please nominate yourself or someone else and advise me, Diana Price. You may email me at diana@dianapriceassociates.com or text 310.650.5505. Please complete the BHEHOA Board of Directors application form and advise of a convenient time to interview you by phone.

We look forward to serving our community with you.
