

Dear Baldwin Hills Estates Community,

We are thrilled to announce the inaugural "Baldwin Hills Estates Photo Contest," where we invite all residents to showcase the incredible beauty and uniqueness of our beloved neighborhood through the lens of a camera. Whether you are a seasoned photographer or simply enjoy taking snapshots on your phone, this contest is for you!

Contest Details:

- Theme: "Baldwin Hills: A Slice of Paradise"
- Submission Deadline: September 8, 2023
- Prizes: The top three winners will receive Amazon gift cards, and their winning photos will be featured in our community newsletter and displayed online at bhehoa.org.
- **How to Participate:** Upload your high-resolution photo(s) or short video clips to <https://forms.gle/EQrVRnMyNfD3U4Ht5> Please include your name, contact information, a brief description of your photo(s) and the location where they were taken.

Guidelines:

- Photos must be taken within the boundaries of the Baldwin Hills neighborhood or of views seen from BHE.
- Each participant can submit up to three photos and video clips.
- Photos should be in landscape or portrait format and be at least 1920 pixels wide.
- Avoid heavy editing; we want to see the natural beauty of Baldwin Hills.

Capture the essence of our vibrant community, from the picturesque landscapes and stunning architecture to the joyful community gatherings and everything in between. Let your creativity shine and share your perspective with the rest of the community!

We will have a panel of local photographers who will evaluate the submissions based on originality, composition, technical excellence, and how well they represent the theme. The winners will be announced on September 18, 2023, via email and our community website.

NOTE: By participating in this contest, you agree to allow the Baldwin Hills Community Association to use your submitted photos for promotional purposes and community-related initiatives, always with proper credit given to the photographers.

Spread the word about the photo contest among your neighbors, friends, and family, and let's celebrate the beauty of Baldwin Hills Estates together!
